

CURRICULUM VITAE

Anthony Wayne Stocks
Born: Burley, Idaho

Idaho State University
921 S. 8th Ave., Stop 8005
Pocatello, ID 83209-8005
Office 208 282-2629: Fax 282-4944
Cell. (US) 541 633 0310
Cell (Ecuador) 593 9 724 5488

astocks@isu.edu
anthony.stocks@gmail.com

CURRENT OCCUPATION: Consultant; Professor Emeritus, Dept. of Anthropology,
Idaho State University

EDUCATION

Ph.D. - Anthropology, University of Florida, Gainesville, 1978
Ph.D. Cert.- Latin American Studies, Center for Latin American Studies, University of Florida,
Gainesville, 1978
M.A. - Anthropology, California State University, Los Angeles, 1974
B.Music - Music Composition and Theory, University of Utah, Salt Lake City, 1962

PROFESSIONAL AND ACADEMIC HISTORY

2012-2016	Independent Consultant
2011-2012	Interim Chair, Idaho State University
2007-2011	Consultant: Wildlife Conservation Society, Initiative for the Conservation of the Andean Amazon, World Bank, USAID
2003 – 2006	Professor & Chair, Dept. of Anthropology, Idaho State University
2002-2003	Grant leave in Guatemala on indigenous mapping project.
2000-2001	50% grant leave, indigenous mapping in Nicaragua
1998 - 1999	Grant leave in Nicaragua and Bolivia, indigenous forestry and mapping
1995 - 1998	Professor & Chair, Department of Anthropology, Idaho State University
1992 -1994	Grant Leave in Central America - Regional Community Conservation Advisor, The Nature Conservancy, Mexico Central America
1991 -1992	Grant Leave - Regional Coordinator for Central American, Cultural Survival Inc.
1991 – present	Professor of Anthropology, Idaho State University
1984 -1991	Associate Professor of Anthropology, Idaho State University
1984 -1987	Grant leave - USAID, resident advisor to Peruvian Government, Central Selva Resource Management Project, Palcazu River Valley, Peru.
1982-1995	Anthropology Program Director (combined department)
1979 -1984	Assistant Professor of Anthropology, Idaho State University
1978.1979	Post-Doctoral Research. Peruvian Amazon assisting Cocamilla and Kandoáshi indigenous groups with their land claims.

1976-1978 Field Research with Cocamilla, Peruvian Amazon
1973-1974 Field Research, Peruvian Andes.

PROFESSIONAL ASSOCIATIONS

Latin American Studies Association
American Association for the Advancement of Science
Society for Conservation Biology

PRINCIPAL FIELD OF INTEREST IN TEACHING AND RESEARCH

Participatory Mapping of indigenous land claims/zoning; Participatory research. Indigenous territorial consolidation; Indigenous institutional strengthening; Applications of anthropology to neotropical indigenous biodiversity conservation and resource management; Creating conditions under which indigenous languages and cultures of the neotropics can survive; South and Central American indigenous people; human ecology of tropical forests;

REVIEWER

Current Anthropology
National Science Foundation
Human Organization
American Anthropologist
American Ethnologist
Journal of Conservation History
Annals of the Association of American Geographers

CLASSES TAUGHT AT ISU

General Anthropology	Introduction to Latino Studies Seminar in Ethnobotany
Anthropology and World Systems	Ethnographic Research Methods
Intro to Sociocultural Anthropology	Biodiv. Conservation and Indigenous Soc.
Latin American Cultures and Problems	Anthropology and Development
Ecological Anthropology	Indigenous South Americans
History and Theory of Anthropology	The Nature of Language
Culture South of the Border	Linguistic Analysis
Seminar in Sociocultural Anthropology	Seminar in Linguistics
Practicing Anthropology	
Seminar in Indigenous Land Rights	

SELECTED PRESENTATIONS

2016 Challenges to Indigenous Land Tenure in Latin America. Presented to the staff of the InterAmerican Development Bank in Washington, DC. April 6, 2016

2006 Beyond the Map: Indigenous and Mestizo Impacts and Territorial Defense in Nicaragua. Paper presented at the 1st Conference on Indigenous Ethnography, March 3-5, 2006 Cornell University.

2003 The Possibilities for Q'eqchi' Community Conservation in Chisec Municipality, Alta

- Verapaz, Guatemala. Paper presented for the 102nd Annual Meeting of the American Anthropological Association in Chicago, November 19-23, 2003.
- 2002 The Struggle for Q'eqchi' Community Conservation and Management of Mayan Sacred Cave Sites: The Case of Candelaria and B'omb'il Pek In Guatemala. Paper presented to the conference "Protecting Cultural and natural heritage in the Western Hemisphere: Lessons from the past; Looking to the future. Harvard University Graduate School of Design, Dec. 5-7, 2002.
- 2002 (Co-Author with Paule Gros) Mayangna People Assess Biodiversity and its Traditional Use in Bosawas: a quest for sustainability. 16th Meeting of the Society for Conservation Biology, Canterbury, UK, 14 – 19 July, 2002.
- 2000 Keynote Speaker, Conference on Globalization and Latin American Indigenous Peoples. Lawrence Kansas, U. Kansas, Program of Latin American Studies, Nov.9-10.
- 2000 Mapping Dreams in Nicaragua's Bosawas Biosphere. Paper presented to the annual meeting of the Latin American Studies Association, March 15-18,2000, Miami.
- 1998 Indigenous and Mestizo Settlements in Nicaragua's Bosawas Reserve: The Prospects for Sustainability. Paper presented to the annual meeting of the Latin American Studies Association. September 24-26. 1998, Chicago, IL.
- 1998 Indigenous Ecological Activism in Nicaragua: the case of Bosawas. Paper presented to the annual meeting of the Rocky Mountain Council on Latin American Studies, April 23-25, 1998, Missoula, Montana.
- 1995 Land Tenure, Conservation, and Native Peoples: Critical Development Issues in Nicaragua. Paper presented at the 1995 Meeting of the Society for Applied Anthropology, 3\29-4\2\95, Albuquerque, N.M.
- 1991 Indigenous Political Mobilization and the Environment in the Peruvian Selva. Paper presented at the XVI annual meeting of the Latin American Studies Association. Washington, D.C., April 4-6, 1991
- 1990 Chair, working group, International Conference on Sustainable Land Use, sponsored by the Indian Council for Agricultural research, the U.S. Dept. of Agriculture, Rodale Research Institute, the Ford Foundation. New Dehli, India, February 12-16, 1990.
- 1988 Ethnicity and Praxis: The Cocamilla Case. Paper presented at 87th Annual Meeting of the American Anthropological Association (Phoenix, Arizona), November. Session sponsored by the Latin American Studies Association.
- 1987 Organizer and Chair of Symposium at 86th Annual Meeting of the American Anthropological Association (Chicago), December, "The Amuesha Indians and Development: Impacts and Prospects of Peru's Palcazu Project." Paper presented: "Indians and Developers: Finding the Middle Ground."

BOOKS, MONOGRAPHS & EDITED VOLUMES

- 1990 Resource Management & Tribal Development: Issues From Peru's Palcazu Project. A.Stocks, ed. TEWIBA (Journal of the Idaho Museum of Natural History) Vol.24.
- 1988 Fragile Land Development and the Palcazu Project in Eastern Peru. Institute for Development Anthropology, Working Papers, # 36.
- 1981 Los Nativos Invisibles: Notas Sobre la Ethnhistoria y Realidad Actual de los Cocamilla del Rio Huallaga, Peru. (monograph) Lima: Centro Amazónico de Antropología y Aplicación Práctica.

SELECTED REFEREED PUBLICATIONS AND BOOK CHAPTERS

- 2013 GIS and The A'i of Colombia: reservas, resguardos and the future. With M. Ruiz & Carlos Rios. *International Journal of Applied Geospatial Research* 7(3). No page numbers yet. Volume 7(3) will be the July- September issue of 2016.
- 2012 Deforestation and Waorani Lands in Ecuador: mapping and demarcation amidst shaky politics. With A. Noss & G. Bryja. *In* *Deforestation Around the World*. Paulo Moutinho, Ed., pp. 187-202. ISB N 979-953-307-313-1. Open Access .
<http://www.intechopen.com/books/deforestation-around-the-world>.
- 2011 Ironies of Conservation Mapping (with Peter Taber) *In* *Mapping Latin America*. Karl Offen and Jordana Dym, eds. Pp. 293-297 Chicago. University of Chicago Press.
- 2007 Indigenous, Colonist and Government Impacts on Nicaragua's Bosawas Reserve (with Peter Taber and Benjamin McMahan). *Conservation Biology* 21:1495-1505
- 2005 Too Much for Too Few: Problems with Indigenous Land Tenure in Latin America. *Annual Reviews in Anthropology* 16: 85-104
- 2003 Mapping Dreams in Nicaragua's Bosawas Biosphere Reserve. *Human Organization* 62(4): 65-78.
- 2002 The Struggle for Q'eqchi' Community Conservation and Management of Maya Sacred Cave Sites: The Case of Caves of Candelaria and Bombil Pek in Alta Verapaz, Guatemala. <http://projects.gsd.harvard.edu/heritage/textos/Stocks.pdf>
- 2000 El Activismo Ecologico Indigena en Nicaragua: Demarcacion y Legalizacion de Tierras Indigenas en Bosawas. (with Joel Beauvais and Lilliam Jarquin) *Wani (Journal of the Nicaraguan Caribbean)* 25:6-21.
- 1999 Indigenous Ecological Activism in Nicaragua: the case of Bosawas. *Proceedings of the Rocky Mountain Chapter of the Latin American Studies Association, 1998*. J.F. Schwaller, ed. Las Cruces, N.M.: Rocky Mountain Council on Latin American Studies
- 1998 Ethnographers in El Dorado. *Reviews in Anthropology* 27: 281-302.
- 1996 The BOSAWAS Natural Resource Reserve and the Mayangna of Nicaragua. *In* *Traditional Peoples and Biodiversity Conservation in Large Tropical Landscapes*. Kent H. Redford and Jane A. Mansour, Editors, pp. 1-31. *America Verde Series of The Nature Conservancy*. Washington DC: Island Press.
- 1994 Land Resource Management and Forest Conservation in Central Amazonian Peru: Regional, Community, and Farm-Level Approaches Among Native Peoples. (With Charles Staver and Robert Simeone) *Mountain Research and Development* 14(2):147-157.
- 1993 The Palcazu Project: Forest Management and Native Yanesha Communities (with Gary Hartshorn). *J. of Sustainable Forestry* 1(1):111-135
- 1992 Land War in Honduras. *Cultural Survival Quarterly* 16(4):16-18.
- 1990 Developers and Indians: Finding the Middle Ground. *Tebiwa* 24:25-35.
- 1987 Tropical Forest Development in Peru: An Historical and Anthropological Analysis. *Development Anthropology Network: Bulletin of the Institute for Development*

- Anthropology, Vol. 5(2): 1-9.
- 1987 Resource Management in a Riverine Society: The Cocamilla Case. In *The Question of the Commons: The Culture & Ecology of Communal Resource*. pp. 108-120. B. McKay & J. Acheson, eds., Tucson: Arizona Press.
- 1985 Indian Policy in Eastern Peru: Past and Present. In *Frontier Expansion in Amazonia*. M. Schmink and C. Wood, eds., Gainesville: University of Florida Press.
- 1984 Status de la Mujer y Cambio por Aculturación. (with Kathleen Stocks) *Amazonía Peruana* 5 (10):65-77.
- 1983 Cocamilla Fishing: Patch Modification and Environmental Buffering in the Amazon Varzea. In *Adaptive Response of Native Amazonians*. R. Hames and W. Vickers, eds., Los Angeles: Academic Press. pp. 239-267.
- 1983 Candoshi and Cocamilla Swiddens in Eastern Peru. *Human Ecology* 11:69-84.
- 1983 Native Enclaves in the Upper Amazon: A Case of Regional Non-Integration. *Ethnohistory* 30: 77-92.
- 1979 Teniendo un Puente entre el Cielo y la Tierra en Alas de Canción: *Amazonía Peruana* 2(4):71-95.
- 1976 Notas sobre los Autóctonos Tupi del Peru. *Amazonía Peruana* 1(1):59-72.

SELECTED RESEARCH /CONSULTING REPORTS

- 2010 Panama Report. World Bank Inspection panel. Co-Authored with Inspection Panel members.
http://siteresources.worldbank.org/EXTINSPECTIONPANEL/Resources/Investigation_Report_full_September_16.pdf
- 2005 Assessment of USAID/Ecuador's Strategy to Conserve Biodiversity on Indigenous Lands. USAID/Ecuador, 60pp. Available at
http://ecuador.usaid.gov/portal/component/option,com_docman/Itemid,159/task,view_category/catid,61/order,dmdate_published/ascdesc,DESC/. Accessed 5/16/08.
- 2003 Diagnóstico de la tenencia y uso de tierra de los Mayangna de Awas Tingni. PRODEP-Nicaragua funded by World Bank. (With Anuar Murrar and Nan Greer)
- 2001 Report on Participatory Design of B'isis Kab'a' Biosphere Reserve. USAID/Guatemala
- 2000 Community Forest Concessions - 3 assessments - Petén, Guatemala: SmartWood
- 1999 Iniciativas Forestales Indigenas en el Trópico Boliviano: Realidades y Opciones. Technical Document 78/1999, BOLFOR Project, Santa Cruz, Bolivia. Available at:
<http://rmportal.net/library/I/A/2/a/documentos-bolfor/documentos-tecnicos>. Accessed 5/16/08.
- 1999 Bolivian Indigenous Natural Resources Management Project. Project design executed for BOLFOR Project, Santa Cruz, Bolivia
- 1998 Oral History, Census, Socioeconomic Study and Map of Li Lamni Tasbaika Kum, Nicaragua, The Nature Conservancy, Managua.
- 1997 Five Ethnohistoric and Socioeconomic Studies of Indigenous Territories in the Bosawas Reserve. Published by The Nature Conservancy in Managua Nicaragua.
- 1997 Informe Sobre el Diagnostico Organizativo de Lomerio y Recomendaciones Para CICOL

(Diagnostic Report to CICOL [Chiquitano Indigenous Organization] on their organization and recommendations for improvement) Published by BOLFOR (Bolivian Forestry) Project, Santa Cruz, Bolivia as Technical Document 42, 1997. Available at: <http://rportal.net/library/I/A/2/a/documentos-bolfor/documentos-tecnicos>. Accessed 5/16/08.

- 1996 Five maps resulting from participatory land claim documentation with Sumu and Miskitu communities of Nicaragua within the BOSAWAS reserve. Available in Nicaragua through The Nature Conservancy.
- 1993 Community Planning for Resource use: A methodology Reports to The Forest Island Project. Berkeley, CA. Mimeo..
- 1989 El Hombre y La Selva. Published by USAID, Lima, Peru
- 1986 Social Aspects of Forestry in the American Tropics, USAID, Lima Peru. Mimeo.
- 1984 Integration of Native Peoples into Peru's Palcazu Project: Report and Recommendations. USAID, Lima Peru. Mimeo

SELECTED RECENT CONSULTATIONS AND CONTRACTS

- 2016 MICI – Inter-American Development Bank Inspection Panel. Lowland Peruvian Indigenous Communities & Challenges to Indigenous Communal Titling in Latin America
- 2016 SATIIM (January 14, 2016-March 17, 2016) Mapping and socioeconomic studies to support indigenous land tenure in the Toledo district of Belize.
- 2009 World Bank Inspection Panel (December 2009 – February 2011). Panama Land Administration Project.
- 2008 International Resources Group. Advisor to the Upper Amazon Conservation Initiative (ICAA) program’s Small Donations Program.
- 2007 Wildlife Conservation Society. Senior advisor on the project, Integrated Management of Indigenous Territories (2007-2011).
- 2005 USAID/Ecuador. June 20 – July 31, 2005. Assessment of USAID Biodiversity Strategy in Ecuador
- 2004 National Academy of Science. Use of Science and Technology in the Meso-American Biological Corridor. For USAID/ EGAT.
- 2003 PRODEP/Nicaragua. Project to document Awas Tingni land claim in Nicaragua’s Atlantic region. World Bank funding.
- 2002 USAID/Guatemala. Chisec Community Conservation Project.
- 2001 USAID/Guatemala. Project design for redesign of B’isis Kab’a’ Biosphere Reserve in K’che’ Guatemala. May to August.
- 2000 USAID/Guatemala. Evaluation of the Problem of B’isis Kab’a’ Biosphere Reserve in K’iche’ Guatemala, Ixil Triangle. November.
- 2000 Forest Stewardship Council (Oaxaca). Work on the international standards regarding “green” certification in forests of high conservation value. Stanford U., August, November.
- 2000 TNC. Conservation Site Planning Workshop in Central Selva, Peru, May.
- 2000 SmartWood. Certification for community forestry in the Petén, Guatemala, May.
- 2000 USAID. Global Bureau/ENR (Workshop on Indigenous Issues in Andes), March
- 1999 BOLFOR project, Bolivia. Research on Indigenous Forestry Initiatives in Eastern Bolivia,

- January-May.
- 1998 The Nature Conservancy. Participatory research on the indigenous territory Li Lamni Tasbaika Kum. June-August.
- 1997 USAID/Guatemala (Annual Evaluation of the Mayan Biosphere Reserve Project), Sept.
- 1997 The Nature Conservancy. Scientific advisor to National Director in Nicaragua. May-August.
- 1997 USAID Global Bureau/ ENR, (Workshop on Indigenous Issues in South Am.) May.
- 1996 The Nature Conservancy: Advisor to workshop on human ecology profiles in Dominican Republic. August.
- 1996 The Nature Conservancy. Participatory mapping and documentation of land claims in the Nicaraguan Mosquitia. January-July.
- 1996 The World Bank. The Atlantic Biological Corridor project in Central America. June.
- 1996 Bolivian Forest Project. Natural Forest Management with the Chiquitano Indians. July-August.
- 1995 The Nature Conservancy. Participatory mapping in the Nicaraguan Mosquitia. May-Sept.
- 1993 -94 The Nature Conservancy. Regional Community Conservation Advisor
- 1993 Forest Island Project. Workshops in Community-Based Resource Planning, Los Tuxtlas, Mexico, April.
- 1991-93 Cultural Survival. Regional coordinator for project to strengthen indigenous organization among Central American tropical forest indigenous peoples.
- 1990 USDA, Chair working group. International Workshop on Sustainable Land Use Systems, February 12-16, New Dehli, India.
- 1989 OTS, Co-Coordinator, "Managed Tropical Ecosystems": Field Course in Costa Rica for the Organization for Tropical Studies. June-August.
- 1989 USAID, Workshop, "Resource Management & Sustainable Development." Washington, D.C. June 1988 and 1989.
- 1987 OTS, Faculty "Agroforestry." Costa Rican Field Course, Organization for Tropical Studies.

GRANT AND FELLOWSHIP SUPPORT OBTAINED WHILE AT ISU

- 2004 Use of Remote Sensing Data to Assess the Viability of Indigenous Forest Management in the Bosawas International Biosphere Reserve, Nicaragua. The Nature Conservancy \$9,829.
- 2004 Chisec Community Conservation Project. USAID/Guatemala \$100,000
- 2003 Documentation of the Awas Tingni Land Claim in Nicaragua. The World Bank. Written for, and executed by, Alistar/Nicaragua & The Center for Research and Documentation of the Atlantic Coast; Anthony Stocks, P.I. \$65,000
- 2003 Chisec Land Tenure Support. USAID. Written for, and executed by, FONTIERRAS in Guatemala. \$500,000
- 2003 Chisec Community Conservation Project. USAID/Guatemala. \$82,000.
- 2001 Participatory Design of the B'isis Kab'a' Biosphere Reserve. USAID/ Guatemala. \$267,000.
- 2000 - Wildlife Monitoring in Nicaragua's Bosawas Reserve. Humanities and Social Sciences Research Council, ISU. \$25,000.
- 1999 - Research on Indigenous Forestry Initiatives in the Bolivian Lowlands. Chemonics International. \$25,000.

- 1998 - 12 Year Evaluation Followup to the Palcazu Project in Peru. USAID Global Office of Environment and Natural Resources (Global/ENR). \$74,128.
- 1998 - Wildlife Monitoring in Bosawas Natural Reserve, Nicaragua. Summer Grant, Saint Louis Zoo, \$5,000. Pilot Project
- 1998 - "Participatory mapping and documentation of land claims in the Nicaraguan Mosquitia. The Nature Conservancy. \$25,000.
- 1996 - "Participatory mapping and documentation of land claims in the Nicaraguan Mosquitia. The Nature Conservancy, \$35,000.
- 1993 Resource Management and Indigenous Rights in the Bosawas Reserve. USAID. \$2.1million. Written for, and executed by, The Nature Conservancy)
- 1991 - "Connecting Indigenous People and Conservation Activities in Central America: Cultural Survival" \$310,000.
- 1984 - "Mitigating the Negative Effects of Development on Peru's Yanesha Indian Communities." USAID/Peru, \$150,000
- 1981 - "Ethnic Resurgence on the Huallaga River". Faculty Research Committee, ISU, \$4,000
