 - a. Prototype Lab Project Funding, \$60,355
 - i. Vice President Vidales asked where this funding is coming from>
 - ii. Senator Fujii and Director Grima shared that this funding would come from reserves. We can spend a maximum of 10% of our reserves, which currently amounts to approximately \$1,054,487. That means we have up to \$105,000 available for this purpose. This is a different budget from our operating budget. These funds must go through the finance office for approval and aren't spent in the same way. We only recommend how the money is allocated. The idea is to create a more collaborative space.
