PROFESSIONAL WORK EXPERIENCE

Professor of Human Performance and Sport Studies. Idaho State University. August 2007 – present. Also served as **Department Chair** (January 2022 – May 2025) and **Graduate Program Director** for MA in Athletic Administration (August 2016 – July 2018; August 2020 – August 2022; January 2025 – present). Promotion to the rank of Professor granted April 2016; Awarded tenure and promoted to the rank of Associate Professor, April 2012

Undergraduate Courses Taught: Introduction to Sports Law; Issues in Sport; Care and Prevention of Athletic Injuries; Methods of Teaching Secondary PE; History, Philosophy and Ethics of PE and Sport; Senior Capstone; First Aid, CPR and Sport Safety; Sport Marketing; Sport Facilities and Event Management; Activity Performance Techniques; Issues in Sport; Diversity Issues in Sport; Human Biomechanics; Leadership Practicum

Graduate Courses Taught: Leadership in Athletics; Research and Writing; Management of Athletics; Athletics and the Law; Organization and Administration of Sports Medicine Programs; Advanced Sport Sociology; Master's Project; Sport Facilities and Event Management; Issues in Athletic Administration; Professional Issues in Athletic Training;

Additional Duties/Responsibilities: Academic Student Advising; Advisor to Students in Health Education, Physical Education, Recreation and Dance (SHEPERDS) Club; Advisor to ISU Baseball Club; Advisor to ISU Triathlon Club; College of Education Professional Standards Committee; ISU University Studies Committee; Chair of University Gender Equity for Athletics Committee; University Interdisciplinary Studies Committee; various other university, college, and departmental committees and task forces

Director and Founder, Center for Sports Concussion, Idaho State University, Pocatello, ID. 2007-present. The Center for Sports Concussion at Idaho State University was founded in 2007 and is housed within the Department of Sport Science and Physical Education (College of Education). The purpose of the Center is three-fold: (a) to offer educational outreach on concussion identification and management practices to medical providers, sport administrators, coaches, athletes and parent groups throughout Idaho in accordance with Idaho law and demonstrated need, (b) to facilitate appropriate post-concussion referrals of athletes participating in sports programs throughout Idaho, and (c) to continue the pursuit of research opportunities in the area of concussion identification and management with the goal of advancing the public's knowledge-base on the issues related to sport-related concussion and the adolescent athlete.

Media and Communications Assistant. National Football Foundation. Dallas, TX. December 2021 – Present (*unpaid position*). Part-time seasonal (event) position assisting the NFF's Communications team with video production (shooting, editing), photography and social media. Events include Annual College Football Hall of Fame Awards Ceremony & William V Campbell Trophy Ceremony (Las Vegas, NV) and Campbell Trophy Summit (Palo Alto, CA).

NCAA Faculty Athletics Representative. Idaho State University, Pocatello, ID. April 2017 – October 2020. *Appointed by University President Arthur C. Vailas, April 2017; Retained by University President Kevin D. Satterlee.* Served the University President in representing and protecting the mission, values and goals of Idaho State University as reflected in the Department of Intercollegiate Athletics. Primary tasks involved the assurance of the academic integrity of the athletics program, the support of institutional control and rules compliance efforts regarding intercollegiate athletics, and the promotion of student-athlete wellbeing.

Assistant Director of Outreach Sports Medicine Services. Portneuf Medical Center Sports Medicine Institute. Pocatello, ID. August 2013 – July 2018. Also worked as **Athletic Trainer** for Pocatello-Chubbuck School District #25 high schools and community youth sports programs (soccer, rodeo, baseball, youth football, etc.)

Broadcast Technology & English Teacher; Athletic Trainer. Highland High School; Pocatello, ID. August 2002 – June 2007. *Additional Duties/Responsibilities:* supervising sports medicine student clinical experiences, serving as advisor to H-Club (athletic lettermen) and Ram TV (student broadcast program).

Visiting Instructor, Department of Sport Science & Physical Education. Idaho State University; College of Education. August 2005 – August 2006. Undergraduate courses taught included Human Biomechanics, Psycho-Social Aspects of Sport, Activity Performance Techniques II, Individualized Physical Education, Organization and Administration of PE and Sport Programs. Graduate courses taught included Research and Writing, Research and Writing, Athletics and the Law, and Diversity Issues in Sport. Additional duties/responsibilities

included supervision of Three (3) student teaching interns, Advisor to Students in Health Education, Physical Education, Recreation and Dance (SHEPERDS) Club.

Teaching With Technology Trainer. J.A. & Kathryn Albertson Foundation; Boise, ID. Summer 2002 and Summer 2003. *Duties and Responsibilities:* Coordinated and taught workshops offered to school administrators and teachers throughout the state of Idaho; Program encouraged teachers and administrators to utilize specific project-based approaches through the integration of state standards, curriculum standards, and various rubric-based, assessment and evaluation methods in an effort to engage students better to meet existing curricular and standards obligations. Position also involved training of Technology Fellows.

Teaching With Technology Fellow. J.A. & Kathryn Albertson Foundation; Boise, ID. June 2001 – June 2002. *Duties and Responsibilities:* Position entailed providing a year of inside and outside classroom support to Idaho K-12 teachers and administrators around Southeast Idaho in an effort to assist them in the implementation of technology-integrated, project-based curricula, standards integration, and rubric-based assessment.

Teacher. Grace Lutheran School; Pocatello, ID. August 1998 – June 2001. *Classes Taught:* 7th and 8th grade Language Arts, 7th and 8th grade Health, 7th grade General Math, 8th grade Publishing, 7th and 8th grade Physical Education, and Elementary Physical Education. *Additional Duties:* Advisor, school newspaper (*The Royal Crusader*); Academic classes all taught in high-tech classroom with 100% Project Based philosophy.

Sports Director/Anchor. KPVI TV, Pocatello, ID. January 1991 – August 1998. Additional assignments included roles as **General Assignment Reporter** (July 1993 – August 1997), **News Photographer and Editor** (January 1991 – August 1997), and **Production Assistant** (January 1990 – January 1991). *Duties and Responsibilities:* On-air delivery, writing, producing, directing, shooting, and editing of various news and sports stories via evening news broadcasts.

Admissions Representative. Idaho State University; Pocatello, ID. August 1993 – June 1994. *Duties and Responsibilities:* Recruitment of new students to the University, academic advising of freshman and transfer students, financial aid advising of freshman and transfer students; general scholarship committee.

TEACHING

Undergraduate Courses Taught

all courses taught in-person

PE 2221	History, Philosophy and Ethics in PE and Sport
PE 2222	First Aid, CPR and Sport Safety
PE 2235	Activity Performance Techniques I
PE 2292	Leadership Practicum
PE 3364	Introduction to Sports Law
PE 3366	Sports Marketing
PE/HPSS 3370	Care and Prevention of Athletic Injuries
PE/HPSS 4437	Methods of Teaching Secondary Physical Education
HPSS 4454	Senior Capstone
PE/HPSS 4473	Sport Facilities Planning & Design/Sport Facilities & Event Management
PE 4475	Organization and Administration of PE and Sport Programs
HPSS 4493	Issues in Sport

Graduate Courses Taught

**course taught in-person; #course taught online - synchronous; ^course taught online - asynchronous*

AT 6614*	Research & Writing for Athletic Training
AT 6648*	Professional Issues in Athletic Training
PE/HPSS 5573*	Sport Facilities Planning & Design/Sport Facilities & Event Management
HPSS 6605^	Leadership in Athletics
PE/HPSS 6612^	Advanced Sport Sociology
PE/HPSS 6631* #	Athletics and the Law
PE 6635*	Management of Athletics
PE/HPSS 6640* # ^	Research and Writing
PE 6645*	Organization and Administration of Sports Medicine Programs
PE 6649* #	Issues in Athletic Administration
PE/HPSS 6651#	Master's Project

New Course Development and Update of Curriculum

- Professional Development Courses for Teachers, Albion Center for Professional Development; fully online, asynchronous courses (2023)
 - Care and Prevention of Athletic Injuries (3 cr.)
 - Legal Issues in Coaching and Sport Administration (3 cr.)
 - Identification and Management of Sport Related Concussion (2 cr.)
- BA – Sport Management, Coaching and Sport Operations emphases. Created program curriculum; successfully led degree programs to institutional (ISU) and State Board of Education approval (2022-23)
- MPE-Athletic Administration program transition to fully online course delivery.
- HPSS 4499/5599 Sport Governance. Course provides an in-depth analysis of the organizational and governance structures of the agencies that govern amateur and professional sport in the United States. Particular attention is placed on the operations and governance of collegiate sport. A primary goal of the course is to help students understand the systems, equipment, people, and processes needed for sport organizations to function.
- MBA in Athletic Administration. Collaborative effort with College of Business. The purpose of the proposal was two-fold: (1) to add *Athletic Administration* to the list of approved emphasis options available in ISU's MBA program (College of Business), and (2) to create and offer a dual degree program with MPE-AA and MBA.
- HPSS 6651 Master's Project. Capstone class for MPE-AA students. Culminates in oral defense for MPE degree.
- Master of Science in Athletic Training degree program. Developed Full Program Proposal and presented it to the Idaho State Board of Education for new program approval in April, 2012. Program was unanimously approved by SBOE (April 18, 2012) along with request for Professional Fees.

- PE 6645 – Curriculum Update to reflect non-practitioners' approach. Remodeled course addresses administrative responsibilities involved with supervising sports medicine programs including legal and ethical concerns, financial issues, facility design, emergency action planning, and policy driven decision-making.

Student Academic Advising

- Advisor for students in Human Performance and Sport Studies programs (Sport Management, Exercise Science, and Physical Education-Teaching emphasis areas)
- Advisor for graduate students in Athletic Administration.

PROFESSIONAL MENTORING

Faculty Mentor

- *Faculty Mentor* to John (Kolton) Stoddart, Graduate Assistant, Department of Human Performance and Sport Studies, 2025-26.
- *Faculty Mentor* to Ally Whitmer, Graduate Assistant, Department of Human Performance and Sport Studies, 2023-2025.
- *Faculty Mentor* to Dylan Bohne, Graduate Assistant, Department of Human Performance and Sport Studies, 2023.
- *Faculty Mentor* to Dallin Fryar, Graduate Assistant, Department of Human Performance and Sport Studies, 2022-2023.
- *Faculty Mentor* to Derek Fryar, Graduate Assistant, Department of Human Performance and Sport Studies, 2021-2022.
- *Professional Faculty Mentor* to Trevor Ward, Instructor, Department of Radiographic Science, Idaho State University, 2016-2017
- *Faculty Mentor* to Lakota Robison, CPI Intern to the NCAA Faculty Athletics Representative, 2019 -present
- *Faculty Mentor* to Nikole Cook, CPI Intern to the NCAA Faculty Athletics Representative, 2018-19
- *Faculty Mentor* to Logan Mesia, Graduate Assistant to the Center for Sports Concussion, Department of Sport Science and Physical Education, 2016-2017
- *Faculty Mentor* to Garret Wood, Graduate Assistant to the Center for Sports Concussion, Department of Sport Science and Physical Education, 2015-2016.
- *Faculty Mentor* to Kurt Schiess, Graduate Assistant to the Center for Sports Concussion, Department of Sport Science and Physical Education, 2014-2015.
- *Faculty Mentor* to Aaron Armstrong, Graduate Assistant to the Center for Sports Concussion, Department of Sport Science and Physical Education, 2013-2014.
- *Faculty Mentor* to Kristy Krohn, Graduate Teaching Assistant, Department of Sport Science and Physical Education, 2012-2013.
- *Faculty Mentor* to McKenzie Warren, Graduate Teaching Assistant, Department of Sport Science and Physical Education, 2012-2013.
- *Faculty Mentor* to Shay Struhs, Graduate Teaching Assistant, Department of Sport Science and Physical Education, 2012-2013.
- *Faculty Mentor* to Aralee Smith, Graduate Teaching Assistant, Department of Sport Science and Physical Education, 2011-2012.
- *Faculty Mentor* to Britnie Jones, Graduate Teaching Assistant, Department of Sport Science and Physical Education, 2011-2012.
- *Faculty Mentor* to Cody Sparrow, Graduate Teaching Assistant, Department of Sport Science and Physical Education, 2010-2011.
- *Faculty Mentor* to Cody Cranor, Graduate Teaching Assistant, Department of Sport Science and Physical Education, 2009-2010.
- *Faculty Mentor* to Renell (RJ) Robinson, Graduate Teaching Assistant, Department of Sport Science and Physical Education, 2008-2009.

GRANTS & CONTRACTS

Funded External Grants

- Big Sky Conference. Requested \$2,945 to cover 50% of the costs involved with hotel accommodations for 25 ISU Sports Management students while in Boise working the 2020 Big Sky Conference Basketball Championships. *Procured in full*, November 2019.

- Portneuf Medical Center. Requested \$15,000 for continuation of licensing for C3 Logix Concussion Program and ISU Center for Sports Concussion (administered in conjunction with athletic trainers of ISU Athletic Department and the Portneuf Sports Medicine Institute). *Procured in full*, July 2018.
- Portneuf Medical Center. Requested \$15,000 for continuation of licensing for C3 Logix Concussion Program and ISU Center for Sports Concussion (administered in conjunction with athletic trainers of ISU Athletic Department and the Portneuf Sports Medicine Institute). *Procured in full*, July 2017.
- Idaho Central Credit Union. Requested \$3,625 on behalf of the Portneuf Valley Swim Team for new swimming pool lane lines. *Procured in full*, April 20, 2017.
- Western Regional Graduate Program (WGRP). Requested acceptance of MPE-Athletic Administration Program to join WGRP, thereby providing non-resident tuition waivers for students from 19 western states and U.S. territories associated with WICHE. Proposal submitted October 17, 2016.
- Portneuf Medical Center. Requested ~\$45,000 for development of athletic training program, hiring of full-time athletic training staff and resources for Idaho State University Campus Recreation and Sports Club program (administered through Portneuf Sports Medicine Institute). *Procured in full*, January 2016.
- Portneuf Medical Center. Requested ~\$500 for printing of quick reference booklets for coaches, parents, and school teachers/counselors (distributed within E Idaho region). *Procured printing costs in full (~\$500)*, March 2015.
- Health Resources and Services Administration (HRSA), US Department of Health and Human Services. Assisted Russell C. Spearman, ISU Institute of Rural Health, in Traumatic Brain Injury (TBI) State Implementation Partnership Grant Program (H21MC26926). Grant was *awarded in full* (\$241,630/year for four years; July 2014). The Center for Sports Concussion will receive up to \$6,000 per year to be directed towards printing costs.
- Portneuf Health Care Foundation. Requested \$47,362 on behalf of Pocatello-Chubbuck School District #25 for medical equipment to be utilized by athletic training and sports medicine staff. *Procured in full*, June 2014.
- Portneuf Medical Center. Requested \$13,620 to fund C3 Concussion program testing for 2014-2015 school year (for both area community, high school, and ISU athletes). *Procured \$7,500*, March 2014.
- Portneuf Medical Center. Requested \$212,000 on behalf of the Pocatello-Chubbuck School District #25 to fund the costs of hiring two full-time athletic trainers, 3 part-time athletic trainers, and necessary equipment/supplies for 2014-2015 school year (for both area community, high school, and ISU athletes).
- Portneuf Medical Center. Requested \$10,000 for costs associated with bringing Merrill Hoge to Pocatello for community concussion education seminar. *Procured in full*, June 2013.
- Portneuf Medical Center. Requested \$3,500 plus all printing and distribution costs (approximately \$10,000) for Center for Sports Concussion for 2013-2014 academic year. *Awarded in full*, April 2013. Grantee: Dr. Caroline Faure.
- Portneuf Medical Center. Requested \$500 for Center for Sports Concussion – ImPACT Neurocognitive Concussion Testing Software license for Gate City Youth Soccer Association testing. *Awarded in full*, January 2013. Grantee: Dr. Caroline Faure.
- Idaho Community Foundation. Requested \$1,000 for Center for Sports Concussion – continued operations – East Idaho educational materials. *Awarded in full*, Fall 2012. Grantee: Dr. Caroline Faure.
- Portneuf Medical Center. Requested \$4,500 for Center for Sports Concussion – printed materials and distribution. *Procured in full*, July 2012. Grantee: Dr. Caroline Faure.
- Portneuf Medical Center. Requested \$500 for Center for Sports Concussion – ImPACT Neurocognitive Concussion Testing Software license for Southeast Idaho Youth Football League testing. *Awarded in full*, August 2012. Grantee: Dr. Caroline Faure.
- Idaho Community Foundation. Requested \$1,000 for Center for Sports Concussion – continued operations. *Awarded in full*, Fall 2011. Grantee: Dr. Caroline Faure.
- Idaho State University Research Office. Requested \$351.50 for publication costs for accepted manuscript to the *Journal of Technology Integration in the Classroom*. *Awarded in full*, Spring 2011. Grantee: Dr. Caroline Faure/JOTI.
- Idaho State University Graduate School. Requested \$800 to assist with travel expenses to International Conference on Education. *Awarded in full*, Fall 2010.
- The Walmart Foundation. Requested an additional \$30,000 to continue concussion awareness program in Idaho through funding for the Center for Sports Concussion at ISU (educational outreach and neurocognitive testing). *Awarded in full*, Fall 2010. Grantee: Dr. Caroline Faure.

- Idaho Department of Health and Welfare, Injury Prevention Program. Requested \$3,000 for educational materials for concussion awareness efforts. Materials printed and distributed by Idaho High School Activities Association. *Procured in full*, Spring 2010.
- The Walmart Foundation. Requested \$30,000 for concussion awareness campaign directed towards youth and adolescent sport programs in Idaho with a special emphasis being placed on rural areas. *Awarded in full*, Summer 2008. Grantee: Dr. Caroline Faure.
- Idaho Professional Technical Education One-Time Grant (2006). Requested \$10,000 for new broadcast camera, nonlinear video editing computer and video editing software (Apple iMac with Final Cut Studio Pro). *Awarded in full*, Spring 2006.
- Idaho Professional Technical Education One-Time Grant. Requested \$6,000 for new studio camera and teleprompter system. *Awarded in full*, Spring 2006.
- Lowe's Home Improvement Warehouse (2006). Requested \$500 used toward purchase of cargo utility trailer that was converted into a mobile broadcast production unit. *Awarded in full*, Summer 2006.
- Perkins Grant. Requested \$10,000 for video cameras, editing equipment, computers and software. *Awarded in full*, Fall 2006.
- Pocatello-Chubbuck School District #25 Professional Technical Gateway Academies. Requested \$15,000 for nonlinear video editing computers. *Awarded in full*, Fall 2005.
- Pocatello-Chubbuck School District 25 Educational Foundation. Requested \$3000 for video cameras. *Awarded in full*, Fall 2005.
- Pocatello-Chubbuck School District 25 Service Learning. Requested \$500 for broadcast tools (microphones, audio mixer, etc.). *Awarded in full*, Winter 2004.
- The Home Depot. Requested \$500 for materials to construct studio news set. *Awarded in full*, Fall 2004. Grantee: Caroline Faure.
- Idaho Governor's Grant. Requested \$500 for classroom software. *Awarded in full*, Fall 2004
- Smith's Food & Drug (2004) Requested \$150 for CD players for television news studio and classroom. *Awarded in full*, Fall 2004.
- J.A. & Kathryn Albertson Foundation. "Equipping the Best" grant recipient (unsolicited): \$35,333 for wireless classroom (mobile laptop computer lab). *Awarded in full*, Fall 2002 (total grant \$106,000 divided among three teachers).
- Perkins Grant. Requested \$16,500 for video toaster and graphics integration computer for Highland High School Broadcast Technology Program. *Awarded in full*, Fall 2002.

Funded Internal Grants

- Idaho State University, College of Education Dean's Excellence Fund. *Big Sky Conference Basketball Tournaments*. Requested \$3,800 to cover costs involved with sending a group of 10 students to Boise for week-long experience working with the Big Sky Conference in the management of the 2026 Men's and Women's Basketball Tournaments. *Awarded in full*, September 2025.
- Idaho State University, College of Education Dean's Excellence Fund. *Bengal Triathlon – Bike Racks*. Requested \$12,000 to cover costs involved with the purchase of materials to construct 50 bike racks for the Bengal Triathlon, custom canopies, and to build racks in utility trainer. *Awarded in full*, August 2025.
- College of Education Dean's Excellence Funds - Teaching. Requested \$3,500.00 to cover 50% of the costs involved with hotel accommodations for 10 ISU Sports Management students while in Boise working the 2025 Big Sky Conference Basketball Championships. *Procured in full*, October 2024.
- College of Education Dean's Excellence Funds – Faculty Research. Requested \$4,000 to cover costs involved with travel to Ironman Sports Medicine Conference (attend conference + work on Ironman World Championships Operations Team). *Procured in full*, January 2024
- College of Education Dean's Excellence Funds - Teaching. Requested \$3,500.00 to cover 50% of the costs involved with hotel accommodations for 10 ISU Sports Management students while in Boise working the 2024 Big Sky Conference Basketball Championships. *Procured in full*, October 2023.
- College of Education Dean's Excellence Funds – Faculty Research. Requested \$4,000 to cover costs involved with travel to Ironman Sports Medicine Conference (attend conference + work on Ironman World Championships Operations Team). *Procured in full*, January 2024
- Idaho State University, College of Education Dean's Excellence Grant. *Big Sky in Boise*. Requested \$3,120 to cover costs associated with sending me and two students to leadership summit at Stanford University, Summer 2023 to attend conference and also assist National Football Foundation with strategic communications efforts. *Awarded in full*, April 2023.

- Idaho State University, College of Education Dean's Excellence Grant. *Campbell Leadership Summit*. Requested \$3,120 to cover costs associated with sending me and two students to leadership summit at Stanford University, Summer 2023 to attend conference and also assist National Football Foundation with strategic communications efforts. *Awarded in full*, April 2023.
- Idaho State University, College of Education Dean's Excellence Grant. *Campbell Leadership Summit*. Requested \$3,120 to cover costs associated with sending me and two students to leadership summit at Stanford University, Summer 2023 to attend conference and also assist National Football Foundation with strategic communications efforts. *Awarded in full*, April 2023.
- Idaho State University, College of Education Albion Funding Grant. *VICON Motion Capture System*. Biomechanics analysis cameras/software for Sport and Exercise Science program. Requested \$98,087 to cover costs of purchasing system. *Funded in full – Departmental funds*, March 2023.
- Idaho State University, College of Education Albion Funding Grant. *Carpe Dink'em! Pickleball for All*. Requested \$160,000 to cover costs involved with building four outdoor pickleball courts at Idaho State University (curricular connection for sport management, physical education, and sport and exercise science faculty and students). *Awarded in full*, January 2023.
- Idaho State University, College of Education Dean's Excellence Fund. *Big Sky Conference Basketball Tournaments*. Requested \$3,132 to cover costs involved with sending a group of 1- students to Boise for week-long experience working with the Big Sky Conference in the management of the 2022 Men's and Women's Basketball Tournaments. *learning tics. Awarded in full*, December 2022.
- Idaho State University, College of Education Dean's Excellence Fund. *Hall of Fame Experience*. Requested \$6,120 to cover costs involved with sending a group of 7 students to Las Vegas, NV to assist the National Football Foundation with the 2022 College Football Hall of Fame Induction ceremonies (Communications and Media Relations, Operations). *learning tics. Awarded in full*, December 2022.
- Idaho State University, College of Education Dean's Excellence Fund. *Big Sky Conference Basketball Tournaments*. Requested \$2,693.50 to cover costs involved with sending a group of 16 students to Boise for week-long experience working with the Big Sky Conference in the management of the 2022 Men's and Women's Basketball Tournaments. *learning tics. Awarded in full*, December 2021.
- Idaho State University, College of Education Dean's Program Improvement Fund. *The Center for Sport Studies* (with Elaine Foster). The mission of the Center for Sport Studies is to advance knowledge and leadership in physical activity and sport through study, intervention, outreach, and immersion. Requested \$155,967. October 2021. *Awarded in full*, December 2021.
- Idaho State University, College of Education Dean's Excellence Fund. *The Bengal Triathlon*. Requested \$4,000 to cover costs involved with race awards and race logistics. *Awarded in full*, November 2021.
- Idaho State University, College of Education Dean's Excellence Fund. *Lighting a Fire: Applied Learning and Professional Networking at the Big Sky Conference Basketball Tournament*. Requested \$4,000 to cover costs involved with hotel accommodations for up to 15 ISU Sports Management students while in Boise working the 2021 Big Sky Conference Basketball Championships. *Awarded in full*, December 2020.
- Idaho State University, College of Education. Requested \$2,945 to cover 50% of the costs involved with hotel accommodations for 25 ISU Sports Management students while in Boise working the 2020 Big Sky Conference Basketball Championships. *Awarded in full*, January 2020.
- Idaho State University, Graduate School. Requested \$13,563 to fund Summer 2017 tuition costs for three Graduate Teaching Assistants in the Dep't of Sport Science and Physical Education, Idaho State University. (Under Review)
- Idaho State University, College of Education. Requested Graduate Assistantship to assist with Center for Sports Concussion – Outreach for 2016-2017 school year. *Awarded March*, 2016.
- Idaho State University, Office of Research, Collaborative Partnerships Grant. Requested \$34,809 for study, "Sleep problems and neurocognitive processes of adolescent athletes with concussion." Lead Author - Maria Wong, College of Arts & Letters (Psychology), with Kandi Turley-Ames and Tina Miyake (Psychology). *Awarded in full*, November 11, 2015.
- Idaho State University, College of Education. Requested Graduate Assistantship to assist with Center for Sports Concussion – Outreach for 2015-2016 school year. *Awarded March*, 2015.
- Idaho State University, College of Education. Requested Graduate Assistantship to assist with Center for Sports Concussion – Outreach for 2014-2015 school year. *Awarded April*, 2014.
- Idaho State University College of Education. Requested Graduate Assistantship to assist with Center for Sports Concussion – Outreach for 2013-2014 school year. *Awarded April*, 2013.

- Idaho State University College of Arts & Letters. Requested \$10,000 for pilot study to examine the relationship among sleep problems, neurocognitive functioning and concussion in adolescent female athletes (11-18 years old). Maria Wong, PhD (principal investigator), with Kandi Turley-Ames, PhD, Caroline Faure, EdD, Tina Miyake, PhD, and Kelly Pearce, PhD; Proposal funded December 15, 2012.
- Idaho State University Humanities and Social Sciences Research Committee (HSSRC) (with Karen Appleby). Requested \$7,313 for faculty research project entitled, *"The Organizational Effectiveness of USA Triathlon: A Case Study of the 2012 Olympic Games & 2012 ITU World Championships."* \$5,000 Awarded, December 13, 2011.
- Idaho State University College of Education – Dean's Grant. Requested \$4,652 for faculty travel to London, 2012 Olympic Games to conduct research entitled, *"The Organizational Effectiveness of USA Triathlon: A Case Study of the 2012 Olympic Games & 2012 ITU World Championships"* (with Karen Appleby). Awarded in full, February 4, 2012.
- Idaho State University Graduate School/Provost Travel Award. Requested \$800 for travel to present at the Hawaii International Conference on Education (Jan 4-7, 2011). Awarded in full, October 28, 2010.

Unfunded External Grants

- National Institute of Health (NIH). Requested \$343,744 for study to examine the relationship among sleep problems, neurocognitive functioning and concussion in adolescent female soccer players (11-18 years old). Maria Wong, PhD (principal investigator), with Kandi Turley-Ames, PhD, Caroline Faure, EdD, Tina Miyake, PhD, and Kelly Pearce, PhD; Proposal submitted June 18, 2012.
- Portneuf Healthcare Foundation. Requested \$30,750 for establishment and operations of Center for Sports Concussion at Idaho State University, September 2, 2010.
- Portneuf Medical Center. Requested \$19,800 for establishment and operations of Center for Sports Concussion at Idaho State University, February 10, 2010.
- Federal Stimulus Grant Money for Idaho. Requested \$134,800 for Care and Injury Prevention Classroom/Lab at Reed Gymnasium for the Department of Sport Science and Physical Education (included renovation of existing room, HVAC upgrades, equipment and supplies). Spring 2009.
- Federal Stimulus Grant Money for Idaho. Requested \$134,800 for Student Computer Lab at Reed Gymnasium for the Department of Sport Science and Physical Education (included renovation of existing room, HVAC upgrades, and equipment). Spring 2009.
