2. Idaho State Government				99
(School employees must complete the "Idaho Local Government or Qualified Organization" section below) I'm an employee of:				
Name of Agency Qualifying cards are VISA® cards issued by Bank of America and are labeled as "Tax Exempt." The cards display the name of the agency and usually the name of the state employee. Lodging charges billed to these cards qualify for exemption. Charges to other cards, such as Diners Club® that include the state agency and an employee name, are billed directly to the employee and don't qualify for the exemption.				
Enter Credit Card Number:	X	XXXX	XXX	
3. Idaho Local Government or Qualified Organization (See form instructions for a description of local government agencies and qualified organizations) Charges to cards that a local government agency or qualified organization pays directly qualify for the exemption. Charges to cards that the employee is responsible for or must be reimbursed for don't qualify for the exemption. I'm an employee of:				
		ame of Agency or Qualified	-	-
