[Y-6, N-2, A-0] Council made a number of suggestions for the program for the Interim Dean to convey. The Interim Dean of the Graduate School will notify the student within 10 days.

May 1, 2019 meeting adjourned at 5:07 PM

IV. ELECTRONIC VOTING

CP CAL – Global Studies [Course Changes] [Y-8, N-0, Ab-0]

Comment: Applies only to approval of GLBL 6690, not to participation in interdisciplinary degree programs.

CP-CHP MSHI [Y-5, N-2, Ab-1]

Comment: Half of the curriculum still relies on adjunct labor, identified in the proposal as significantly cheaper than hiring full-time TT faculty. Letter of support indicates increased hiring in PH, but the course rotation does not reflect that. I fear that this program is too reliant on adjuncts.

Suspending typical protocol requiring a consensus in online votes, the Interim Dean allowed a non-consensus vote to pass, persuaded by the need of Senior Administration and KDHS leadership to address an SBOE goal with this program approval in FY19.

FF-CRCS-Michael Foley, Ph.D. (No quorum*; Moved to 9-11-19)

*Council practice is for nominations without quorum move to discussion in the next meeting.
