Our appearances and performances at these games are the single most visible events in the entire music department! It is imperative that every one of us be present and positive for every date on this list to ensure the administration, university community, and the city of Pocatello at large remain 100% behind and supportive of our program!

The Bengal Marching Band utilizes an app called FlipFolder to distribute our sheet music. Available for free on the [Apple App Store](#) or [Google Play](#), enter your ISU email address when prompted, and then the Connect ID is **Roaranges!** Most music is uploaded here already, check it out today!
