# SOC 2295 Criminal Justice Internship

The internship program provides undergraduate students with the opportunity to gain first-hand experience in professional settings appropriate for their academic background and career objectives.

# Eligibility

Student must be a declared major in either the AA program or the Sociology BA with an area of Concentration in Criminology

Criminal background check, if required by employer

# Procedures

Internships can be selected from a list of possible internship sites or students may also select their own internship site if it is approved by the Criminal Justice Director

Students must fill out necessary applications for their selected site

Students should contact the supervisor at the internship site, express their interest in working there, and submit all application material

To receive internship credits, all paperwork must be completed

# Registration

Students will need to enroll in the department course SOC 2295 for 1-4 credits

Four internship credits are required for both the AA and the BA in Sociology with the Area of Concentration in Criminology

Internship courses are closed classes. Students will need a registration override from the Criminal Justice Director.

# Requirements
