UHP Club Leadership

President | Amina Miljkovic

Hello everyone! I'm Amina Miljkovic and I am excited to serve as President of the Honors Club this year. I am entering my third and final year as I pursue degrees in Health Sciences and Spanish for Health Professions alongside an academic certificate in Civic Engagement. Originally from the Boise area, I hope to attend dental school with a focus on dismantling prominent health disparities across underserved communities and linguistic minorities. Outside of academics, I enjoy live music, traveling, and exploring vintage shops with friends! In my duties as club president, I preside at all meetings and direct many of the club's initiatives. As we enter this school year, I hope to learn more about each of you. Feel free to reach out at any point, I am always available for a chat!

VP | Elijah Escobedo

My name is Elijah Escobedo, and I am a third-year student pursuing an Honors Bachelor of Science in Biology with a concentration in Biomedical Science and an Advanced Spanish Certificate. My ultimate goal is to enroll in a dual-degree program offering a Doctor of Medicine (MD) and a Master of Public Health (MPH) to become a physician. I aim to provide health education and medical access for rural Idaho communities, equipping marginalized populations with essential knowledge about their health risks and access to a primary care physician. In my free time, you might find me climbing, at the gym playing intramural basketball (#WagCity), hanging out with my friends, or more realistically, watching some sort of movie or TV show with my girlfriend quoting the entire thing. I serve as Vice-President of the UHPC, I oversee club activities and fill in for the President in her absence.

Secretary | Jersie Chapple

My name is Jersie Chapple and I am your UHPC Secretary! I am a Junior this year, majoring in Health Sciences and minoring in Pre-Physician Assistant Studies. I'm from St. Anthony, Idaho, which is where I currently work as an EMT. I love giving back to my community that raised me. Outside of school and work, I love traveling, baking, and animals - especially my cat Saydee. As secretary, I will be responsible for keeping the club organized and maintaining clear communication among members. I will also support the other leaders whenever needed to ensure that our club runs smoothly and successfully. I ran for this position because I want to be more involved in the club and help others like me feel included! I'm so excited for this school year!

Historian | Shaun Stoisch

My name is Shaun Stosich and I am a fourth year Health Science major with a minor in Biology. I came to ISU to prepare for medical school which I plan to go to this next Fall. I am engaged to my wonderful and beautiful fiancée, Chandler, and we currently have two cats together. In my free time I like to go golfing, play video games, and play magic the gathering among many other things. My role as the historian of the UHPC is to document events and keep social media updated. I ran for this position to give back to the honors program after everything that honors has provided to me during my time here.

Treasurer | Cameron Isenberg

I'm Cameron Isenberg, I was born in Twin Falls Idaho, and raised in Austin Texas and later Southern Idaho. I'm an Accounting Major, hoping to get my Masters of Accountancy after my bachelors so that I can earn my Certified Public Accountant (CPA) license. Outside of college, I enjoy reading, playing the piano, cooking, and playing a game here and there. I am the Treasurer, basically I keep track of the finances and help with the paperwork regarding them. I ran for this position because I am an Accounting major and viewed this position as a great way to help build real world skills while giving back to a program which has helped me a lot.

Do You Know?

There are many phone apps the campus uses to help make students' lives easier!

Get Mobile

Get Mobile is an app that gives you access to a digital student ID, as well as a bar code to more easily scan your Meal Swipes. The app also keeps track of your meals and how much flex dollars you have left for the semester. It can also help you get into your dorm if you accidentally leave your physical id at home with a remote door access feature!

Navigate 360

Navigate360 gives you easy access to scheduling appointments with advisors, seeing your class schedule, and ISU events!

RaveGuardian

RaveGuardian gives you easy access to Public Safety, and through it you can find information, call public safety, get an escort across campus, and more!
